Bring your well behaved dog to this awesome workshop taught by Julie Boxall

(Julie has been teaching animal massage in the UK since 2002).

- Learn how to perform a musculoskeletal assessment on your dog
- Evaluate your dog's movement (gait analysis)
- Learn interesting facts about canine anatomy
- Discuss common orthopaedic conditions such as cruciate ligament ruptures and hip dysplasia
- Identify the five main categories of massage techniques
- Apply 25 specialised movements on your dog.

Suitable for all dogs from puppy to elderly, casual pets to working and sporting dogs.

Come and enjoy a wonderful time together!
